Biggest Crowd Ever at 50th Annual PTCO Day

The weather was just right for the PTCO Day Festival 2001! Participants celebrated the 50th Anniversary in ISD's Caskey Activity Building and at ISD's Elementary Gym/Playground areas yesterday. The weatherman was wrong when he forecasted that there would be heavy thunderstorm during the afternoon! The storm held off until Sunday evening.

The annual event, sponsored by Parents-Teachers-Counselors Organization, drew people from all over the state of Indiana and even some from neighboring states. According to preliminary figures, the attendance was well-over 1000 people. This is a new record! Highlights of the event included a Dunking Tank, Jailhouse, Kiddies' Carnival, children climbing, Kid's Lottery and other activities. PTCO historical posters were hung-up on the walls plus over 50 booths (13 outside) displayed or sold crafts, food and exhibits. In attendance were several old-timers who had been the PTCO officers in the mid-1950's.

Winners of raffle prizes were:

First Prize: \$500 to Maynard Steinberger, Noblesville, IN
Second Prize: \$250 to Clara Ellwood, Goshen, IN
Third Prize: \$125 to Gladys Gass, Indpls.
Fourth Prize: \$75 to Lori Qodir, Indpls.
Fifth Prize: \$50 to Vada Brown, Indpls.

Miss Deaf America and Miss Deaf Indiana made the drawings.

All of us had a great time and are already looking forward to PTCO Day 2002!!! Many thanks go to PTCO Day Planning Committee with Barb Gantt, Chairperson of the big event. PTCO also wants to thank you for coming to support the education needs of ISD children. *(Reprinted from the Indy Deaf News, written by Bob Canty)*

Email Switch-Over - State's Department of Information Technologies (DoIT), Kemper (our consultant), and ISD are finally ready to perform the post office switch over from our old GroupWise servers to the new GroupWise server. I do realize that I promised you at a least three-day advance notice before the switch over would happen, but due to the time delays and the timing and availability, the switch over has to happen sooner. **Next Tuesday May 8th, we will perform the email server switch over. Please be sure you printed all your email messages that need to be saved, and saved your address books (if used). After the switch over, all your old email messages and address books will be lost.** Between the end of work day on Monday May 7th, and until the switch over is completed on the morning of Tuesday May 8th, you may not be able to access your email. **Please do not report email problems to your PRAT help desk leaders.** The switch-over means that on Monday May 7th around noon time, DoIT will disconnect the "line" between State's mailhub to our old GroupWise postoffices on two old servers (ASSESSMENT and IN_SCH_DEAF). All new messages will accumulate on the State's mail hub, so no messages will be lost during the switch over. You may be able to bring up your old GroupWise client (5.2) but you will not be able to send out or receive new messages during this "gap window". You have until Tuesday morning May 8th around 7:30 am to print your old messages you want saved and your address books saved (if used). It is recommended that you do this printing on Monday May 7th. After 7:30 am on Tuesday May 8th, the two old post office servers will be taken down and become unavailable. Almost immediately, your old GroupWise clients will all be connected to our new GroupWise post office automatically. When your GroupWise clients are connected to the new post office, you will be prompted to upgrade your client from 5.2 to 5.5. Until you complete your upgrade, you will start seeing new email messages appear in your mailboxes. Most of this client upgrade process will be totally automatic and require no involvement from you, at least for most people. For the remaining people that require assistance, we will go out and help you with the transition. More information will follow this message, and will be sent to you on Monday morning.

A library is not a luxury but one of the necessities of life. – Henry Beecher Ward

From Barb Gantt, PTCO Day 2001 Chair ...

A huge thanks goes out to all of you who attended the PTCO Day 50th Anniversary event on Sunday, May 6. A special thanks to my fantastic committee who helped make our event a huge success! What a fantastic time everyone had ... between the PTCO History Exhibit, Miss Deaf America's appearance, games, prizes, and food. I'm not sure which was more popular. It seemed that everything was a hit! Thank you to all the teachers/staff who donated their time by volunteering on children/teen games during the day. We couldn't do it without your support.

A special thank you goes to each of our committee members. You did a fantastic job, and we couldn't have done it without your commitment and dedication.

I am very proud of our girls winning the fifth championship in the past six years. Everyone gave a great effort in every event. The season has ended for the most of the athletes. Pia Marie will compete in the City Meet this coming Wednesday. She and Erica Hossler and Valerie Sharer will compete in the Sectionals two weeks from now. - Dan Fitzpatrick

The Cure - HS/MS Activity Period scheduled for Wednesday, May 9th is postponed due to a cast member's absence. The HS Drama Classes were scheduled to present the play, "The Cure." A new date will be announced soon.

Thank You – Thank you so much for the caring hugs, cards, and flowers regarding my family's loss. It was so nice to see many ISD faces at the funeral home. Once again, thanks for being so supportive during our countless number of visits to Methodist Hospital and through our time of sorrow. - Donna and Dan Stutler

School Calendar – Please send your events with the dates and times that you want printed in next year's school calendar to Dan Stutler by Monday, May 21. He is also looking for good color photos to include in the calendar that will emphasize your students successes in this school year.
